the Postman goes by Xmas morning

and there's nothing - how disappointed one feels; Xmas doesn't seem like Xmas.

Don't cause this feeling by posting late; POST EARLY, so that the gift will arrive on Xmas morning. Handkerchiefs are "the very thing" to send if one is late in buying. They are so easily chosen, so easily sent, and

yet so much appreciated.

Post Orders should reach Walpoles' not later than
Monday, earlier if possible, as lighting restrictions prevent them working late

THE IRISH PAPER MILLS CO., CLONDALKIN, ASK EVERYBODY TO

SAVE WASTE PAPER

It is not only the patriotic duty but is in the individual interests of every man, woman, and child in the country to collect every available Scrap of Paper, so that the Irish Paper Mills may be kept running through this time of shortage of paper-making materials.

THE IRISH PAPER MILLS COMPANY guarantee that packs will be supplied and maximum prices fixed by the Government paid by their Contractors, blusers.

BANKS, PUBLIC OFFICES, and BUSINESS FIRMS having large stocks of old paper should get rid of it now, as the shortage of paper-making material is be-coming very acuts, and the problem is to keep Mills running.

THE IRISH PAPER MILLS COMPANY are in a position to guarantee the destruction and repulping of ALL grades of paper, and their contractors will, if necessary, in the case of private documents, prepare the waste paper on the seller's premises and have it taken direct to the Mills and destroyed under the eye of a representative of the seller,

The minimum quantity of waste paper which can be taken in any one consignment is one cwt. Carriage on smaller quantities would be prohibitive.

Send samples, and highest prices will be quoted per return, and cash remitted premptly on receipt of goods.

Not an "invidious" COMPARISON

A comparison of yourself with yourself doesn't hurt anyone. That is what this is.

The manufacturers of White's Wafer Oatmeal would be sorry, indeed, to have the oatmeal judged by the output at the end of 1917.

The prime oats from which White's Wafer, has always been manufactured were simply not to be got then. Consequently White's Wafer Oatmeal suffered-for a time.

That trying time is past. The quality of oats obtainable is greatly improved. White's Wafer Oatmeal is made from the very best recently grown. Richest, fastiest porridge is made with White's Wafer. The milling is unrivalled.

White's Wafer Oatmeal

can be compared with no higher standard of goodness than the one established and maintained by itself.
